

Do YOU want to see Mrs. Lines and Mrs. Watson get in the DUNK TANK at the Fall Festival?

DUNK TANK

Our goal is to reach at least 80% student membership in OPTC. If we reach that goal, our awesome principal and associate principal will get in the Dunk Tank!

So what do you have to do?

Become an OPTC member, it's \$5 per student!

All proceeds go directly back to Olympic View!

Want to win a FREE ticket to toss the ball at the dunk tank?

Solve this math problem:

There are 732 students currently attending Olympic View. 60% of the students have already become OPTC members.

How many more students need to become members in order to reach the 80% student membership goal?

The first 5 students with the correct answer will receive a free ticket to dunk our awesome Principal or Associate Principal at the Fall Festival!

Email your answer to: info@ovptc.org (You MUST show your own work)

Winners will be announced a week before the Fall Festival.
