CYT @school
theater for kids!

is returning to Olympic View!

CYT@school is devoted to introducing performing arts to children, one school at a time, by providing a high-quality experience that is educational and enjoyable. Students will perform in-

HIGHLIGHTS FROM:
ALADDIN

Workshops: **each week on Thursday, students will explore performing arts through acting, singing and dancing.** Visual and performing arts reinforce literacy, speaking and listening. They provide natural opportunities for students to communicate, collaborate, create and critically-think.

Showcase: **a short performance to share some of what they've learned.** It is minimal in nature - no sets but a borrowed costume piece and lots of enthusiasm!

Perks: An **Actors book** which includes **scripts, projects and games; a t-shirt and 2 tickets to a Main-Stage CYT production.**

Focus: **an experience that is educational and enjoyable.** It's not just about the showcase but the process of *getting* there and what they will take with them *after* – the joy, the hard work and feeling successful in knowing they've done their best.

Students: **all students in grades 1-6 are welcome** (no Kindergarten). There are a limited number of spots available. Let us know if your child has any special needs so we can be prepared to help meet them.

Calendar:	Date:	Room:	Time:
Week 1	January 17	Multipurpose Room	2:40 - 4:20
Week 2	January 24	Multipurpose Room	2:40 - 4:20
