Dear Olympic View Families and Friends,

Welcome to the 2019-20 school year. I am so excited to continue as principal for the ***“Home of the Golden Eagles.”*** The staff and I are eager to carry on the tradition of excellence. Last year we had many successes! We installed new sound systems, inside and out, put up a shade structure based on parent and staff input, started a character education program, incorporated Social Emotional Learning lessons, and created the OV WAY (Wise choices, Always safe, You matter!). Our knowledgeable and dedicated Olympic View staff strives to provide the best Common Core Standards-based, dynamic instruction, while also focusing on the social, emotional and physical well-being of students. At Olympic View, we capitalize on your child’s inquisitiveness and desire to learn. We guide and provide your child with the knowledge and skills necessary to be a successful, productive member of society.

As we plan for the upcoming 2019-20 school year, I am excited to share with you that our school will be participating in Leader In Me. This is a leadership program based on the 7 habits of highly effective people. This was something parents and staff requested and we are excited to get started. If you would like to learn more, visit www.leaderinme.org. It is our goal to provide the most **relevant, equitable, inclusive, responsible, and ethical environment for ALL.**

The principles that will guide us with making decisions that best support students are as follows:

- Safety
- Equity and access
- Social, emotional and physical well-being
- Character education
- Quality Relationships
- Quality Instruction

The staff and I thank you for trusting us with your most precious possession, your child(ren). We take their care, growth and well being seriously. We look forward to partnering with you this year for an eventful and successful school year in which we are all inspired by the relentless pursuit of excellence for all!

Yours in education,
