**COVID CLINIC**

Walking through the school registration process
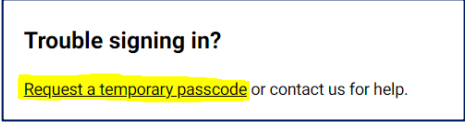

*****Use Chrome*****

1	Go to https://school.covidclinic.org **First time Users (User who has not registered yet)** Click the orange button on the home page	
2	Select the appropriate role for the registered individual. **Please note that the role of staff takes precedent over the role of parent. If you are on staff, click staff even if you are a parent or guardian.*	
3	Complete the entire registration form. For staff, each staff was provided their employee ID#. If they do not have it – was sent via email from Covid Clinic, your territory or regional manager has a complete roster of staff and can assist with that ID#	
4	Complete the remaining fields in the registration form including mobile phone and email address twice to ensure accuracy. ** NOTE: There are technical issues with email addresses @icloud.com and @hotmail.com – please do not use these email addresses.*	
5	If the user wants to read the disclosures before checking each box acknowledging they read and agrees with the disclosures, the user MUST right-click on the link and select "Open In New Tab"	
6	Sign the registration form by typing in your name and click "Register"	
7	Upon a successful registration, the user will be returned to the homepage	

COVID CLINIC

To Place An Order

After registering for an account first, return to https://school.covidclinic.org

For security purposes, users must sign in with a temporary passcode that changes each time the user returns.

1	Click on Returning Users button	**Returning users**
