EMERGENCY INFORMATION:

It is very important that you keep all emergency information up to date with the school office. If your email, phone number, or emergency contacts have changed since you have registered, please be sure to contact the school office to make sure the information gets updated in our system.

Students will not be released to anyone who is not an emergency contact. If you have an emergency contact picking up your child, please let them know they will be asked to show ID. This is for the sole purpose of safety. Parents/guardians who are not familiar to the office staff will also be asked to show ID. Again, your child(ren)'s safety is our number one priority.

CLASS ASSIGNMENTS:

Each year we are often faced with the task of moving a few children from one classroom to another in order to correct an imbalance in class composition. Typically, these changes occur within the first two weeks of school, but changes may occur at any time during the school year. We strive to keep these changes to a bare minimum; however, it is hard to predict exact growth patterns and which grade levels will be affected. In the event changes do become necessary, we hope that we may count on your cooperation and understanding. At the beginning of the school year, we would like to ask families to please **wait until the third week of school to discuss any possible class assignment change**. If a family wishes to talk about a possible change, they need to pick up a form from the office describing the rationale for the change. An appointment with the principal will be arranged to discuss the request and to consider all factors associated with a possible change in placement.

TELEPHONE CALLS/CELL PHONES:

It is very disruptive to call a child to the telephone during the instructional day, so please do not ask the office staff to do so. If you must leave a message for your child, you may either leave a voice mail or a message with the office secretaries, but please do not abuse the privilege. Prior to coming to school each day, make sure your child knows where to go after school. Phone use by students is restricted to emergencies only. Students will not be allowed to use the school telephone to alter after school plans. All teachers use Class DOJO for communication, and you can contact your child's teacher that way as well.

A student may have a cell phone/smart watch with cell service on campus only if the parent/guardian has filled out and submitted a **Cell Phone Permission** form electronically. A student may bring a cell phone only after the parent has completed this form. Cell phone permission approval is valid for one school year only and must be **renewed** each school year. On campus violation listed in **Cell Phone Permission** form could result in the revocation of cell phone privileges. If a child's phone is confiscated due to use violation, a parent/guardian must come to the office to pick up the phone from an administrator.

BREAKFAST AND LUNCH:

Meals will be free for all students for the 22-23 school year. We ask that ALL parents fill out the LCFF form as soon as possible. Our school funding is based on the number of forms returned. If your child brings lunch to school, please be sure to remind them there may not be any sharing of food. Please be mindful that we have many students with allergies.

If you come on campus to eat lunch with your child, please note, we have a designated guest table in which you can sit with your child. We ask that you do not enter the playground area with the students during recess. You also must be cleared through the Raptor system and check in at the front office for a badge.

Please send **healthy** snacks and lunch to school with your children. **Do not send sodas, candy, chips, or gum.** All children must eat lunch every day. Olympic View is a **GUM FREE CAMPUS**.

CVESD Board Policy 5030: WELLNESS

"No celebratory food items will be allowed on school sites during the school day in celebration of a student's birthday. The District encourages and supports the use of nonfood celebratory activities and will provide a list of suggestions to schools and parents." Helium Balloons are not allowed on campus.

UNIFORMS AND DRESS GUIDELINES:

Uniforms are **encouraged** at Olympic View. **Your support of and commitment to the uniform policy is vital to its success!** We believe it sets high standards for the students by:

- reducing peer pressure
- increasing safety and security
- eliminating the wearing of inappropriate clothing items
- improving personal responsibility and accountability
- preparing for the workplace
- reinforcing positive behavior
- allowing students to focus on academic targets

Uniforms support our school spirit and a sense of *esprit de corp*. Our goal is to keep our focus on academic and social growth, not on the latest fashion trends. We see school uniforms as one positive and creative way to reduce discipline problems and increase school safety. Students who feel safe and secure learn basic values, the essentials of good citizenship, and are better students.

The school uniform consists of the following: solid Navy blue or Khaki pants, shorts, skirts or jumpers, and solid red, white, or navy-blue shirts. If you require assistance acquiring the uniforms, please contact the office. Information is confidential.

School Spirit shirts can be worn on any day of the school week.

If you choose NOT to have your child wear a school uniform, the district dress policy must be followed:

Students are expected to come to school appropriately dressed. Students failing to dress appropriately will be asked to change. If students are unable to change, parents/guardians will be contacted to bring clothing for their child to school. Parents/guardians are encouraged to have all student clothing free of any writing, pictures, or insignias. Students are not allowed to display by wearing or placement of apparel which would signify the affiliation or intent of affiliation in a student group advocating or participating in disruptive behavior. TARDINESS/ATTENDANCE POLICY

Under California Law (Ed. Code 48200) parents and guardians are charged with the responsibility of keeping their children in regular attendance and on time

Olympic View Elementary School will only excuse an absence for the following reasons:

- Illness
- Medical or dental appointment
- Quarantine by a county or city health officer
- Funeral of immediate family member (Grandparent, parent, or sibling)
- Military parent leaving for or returning from deployment

ATTENDANCE:

School attendance is critical for learning.

- **If your child is absent:**

- Call the Attendance line on the day of the absence, or send a note the first day back to school. To reach the Attendance line, dial 656-2030 and select #2 on the menu. Leave a message regarding your child's absence for our school Attendance/Health Secretary. If your child is absent three days or more, a doctor's note is helpful. **Parent/guardian has three days, (72 hours), after an absence, late arrival or early dismissal to submit a doctor/dentist note or it is considered a truancy. Reporting the absence does not automatically excuse the absence.**

The reason given for the absence determines whether the absence is excused or unexcused. Failure to provide a **reason** makes the absence unexcused.

- **If your child will be absent for religious reasons, to participate in "Take Your Child to Work Day", to attend a military function for a parent, etc.:**

- A written request stating the reason for the absence must be presented to the school Attendance office for Principal approval **two days prior to the absence**. If approved, the absence becomes a "Board Justified" absence. If the absence is not approved, it is an unexcused absence.

- **To sign a child out before dismissal:**

- Please do not pick up your child early unless she/he has a medical or dental appointment. **School District policy requires that any child signed out thirty minutes or more before dismissal time is considered an unexcused absence unless the reason is for a doctor or dental appointment.** A doctor's note verifying the appointment is required when the child returns to school, otherwise, the absence will be considered unexcused. This does not apply when a child is signed out to go home due to illness nor is a note required from a doctor when they return to school.

- **Independent Study Contract:**

- An Independent Study Contract can be obtained for a child who will be absent **five or more days**.
- The parent must notify the teacher of the absence and discuss the Independent Study Contract **at least one week prior** to the start of the absence.
- The parent must also notify the Attendance office of the absence and request the Independent Study Contract **at least one week prior** to the start of the absence.
- An Independent Study Contract must be signed prior to the start of the absence.
- **(PLEASE NOTE THIS IS SUBJECT TO CHANGE DUE TO COVID)**

Children should not be absent except for medical reasons. Please schedule vacations during school breaks. **Students learn when they are in school.**

To be eligible for Perfect Attendance, the student must be in class on time and must stay in class the entire day every day that school is in session. (i.e., the student cannot be late to school for any reason, or be taken out of school early for any reason, or be absent from school for any reason.)

STUDENT SUCCESS BEGINS WITH ATTENDANCE!!!

Please help improve student attendance by taking a positive approach to assist in establishing positive attendance patterns and avoid chronic truancy.

FACT:

Hard Truancies almost always begin with a pattern of Soft Truancies that is not corrected.

A Message to Parents and Students:

WHAT IS SOFT TRUANCY?

Soft Truancy is a negative pattern that often leads to direct violation of the Education Code of California.

Soft Truancy includes, but is not limited to:

- Bringing a child late to school (less than 30 minutes).
- Picking up your child early for family outings, vacations, frequent medical appointments or business, or even trying to avoid traffic.
- Excusing a student as ill more than 10 days without medical verification.
- Frequent excused absences.
- Keeping an older child home to baby-sit.
- Keeping an older child home to work.
- Irregular attendance.
- Taking vacation during school.

AVOID TRUANCY

- Be on time every day.
- Stay in school all day.
- Have a specified area at home for all school materials.
- Parents should call the school office or send a note when a student is ill and provide a medical note whenever possible.
- Work hard and try hard.

AWARENESS TIPS

- Be sure to always follow all District and Site Attendance Policies.
- Students need to understand that education should be their top priority.
- To get the best start in life, a child needs a good education.
- If your child does not go to school, he or she will fall behind other students.
- If your child is not in school, he or she can't get the grades needed to graduate.
- Young people who miss school are often victims or perpetrators of crimes.
- Tardies and leaving school early should be an exception, not a norm.

The youth of Orange County are our most precious resource. In order for each individual to reach his/her highest potential, education should be a top priority. Your child's focus begins at home and parents need to understand why it is important for their children to be at school, on time, and throughout the entire scheduled day.

School Attendance Laws and Parent/Student Responsibilities:

- All persons 6 through 18 years of age are required by California State Law to attend school. Parents have a legal responsibility to ensure their child's attendance. (Education Code Section 48200)
- A pupil is considered truant if he/she is absent for more than 3 full days in one school year without a valid excuse; tardy or absent for more than a 30-minute period during the school day without valid excuse on 3 occasions in one school year, or any combination thereof. (Education Code Section 48260)
- A pupil who is absent from school without a valid excuse for ten percent or more of the school days in one school year, from the date of enrollment to the current date, is deemed a chronic truant. (Education Code Section 48263.6)
- A student's refusal to attend school regularly can result in a referral to the School Attendance Review Board (SARB); to Juvenile Probation or the Juvenile Court System. (Education Code Section 48260)
- Parents who fail to compel their child's attendance may face criminal prosecution and penalties. (Education Code Section 48291)
- Any pupil who has once been reported as a truant and who is again absent from school without a valid excuse one or more days, or tardy on one or more days, shall again be reported as a truant to the attendance supervisor or the superintendent of the district. (Education Code Section 48261)
- If any minor pupil in any district of a county is a habitual truant, or is irregular in attendance at school, as defined in this article, or is habitually insubordinate or disorderly during attendance at school, the pupil may be referred to a school attendance review board. (Education Code Section 48263)

CHRONIC ABSENCE:

Recently, there has been a growing interest regarding attendance data and the impact this has on student success. Now as part of Every Student Succeeds Act (ESSA, Section 111(h)(1)(C)(viii)), districts are required to submit chronic absenteeism data through the California Department of Education's California Longitudinal Pupil Achievement Data System (CALPADS). Students are identified as chronically absent when they have missed 10% or more days for both excused and unexcused absences in relation to the total days enrolled for any given school year.

In an effort to partner with parent(s)/guardian(s) regarding chronically absent students, schools may request information as to why students are missing so many days of excused and/or unexcused absences. School nurses may ask parent(s)/guardian(s) to sign a release of information for the students' attending physician in an effort to best support the students' medical needs at school to the extent possible.

Additionally, parent(s)/guardian(s) and students may be placed on a Student Attendance Review Team (SART) contract as a means of intervention to support positive attendance.

If attendance continues to be irregular, the student may be referred to the School Attendance Review Board (SARB). See "Truancy" information below.

State definition = Missing 10% of school with both excused and unexcused absences.

- *Any point in time*

Quarterly reports provided

- Tool to guide conversations
- Excused with doctor notes cannot be included in conversation

Does not address tardies

*Excessive Dr. Notes – involve Nurse

- May need authorization form by parent

TRUANCY:

State law requires that elementary school attendance is compulsory. Parents/guardians are responsible for making sure that their children attend school every day, on time. Students with more than three unexcused absences in one school year shall be classified as truant. Students who are more than 30 minutes tardy, or who are signed out more than 30 minutes early on three or more school days in one school year shall be classified as **truant** (Education Code 48260). Such students shall be reported to the principal. The parent/guardian shall be notified of the student's truancy by a letter from the principal. If necessary, a parent/guardian conference will be arranged to address the truancy. Students reported as truant three or more times during the year may be classified as habitually truant and referred to the Student Attendance Review Board (SARB). (Education Code 48263)

MEDICATION:

If your child must take any medication at school, we must have a form signed by your physician each year, and the medication must be kept in the health room. Discontinuation of medication and changes in dosage or time require written instruction from the physician. This applies to prescription and non-prescription medicine. Every time your child is on a medication for a specific illness such as strep throat, bronchitis, pink eye, etc., a new form must accompany the prescription. Contact the Health Office at 619-656-2030 for the proper medication form.

SAFETY:

We would like to ask the adults, in addition to the children, to abide by Safety Patrol Rules. If your child sees you waiting for the Safety Patrol, your child will follow suit. Please help us in preventing jaywalking. Encourage your student to follow safety guidelines. **Please do not park in any of the red areas. This is a no parking area, and you will be ticketed. Also, do not leave your car unattended in the yellow zone.** Students in PK and K will be picked up at the PK and Kinder gates. Grades 1-3 should be picked up in the north pick up, and grades 4-6 in the bus loop. If you have more than one child, pick up should occur at the youngest child's pick-up spot. Children should not cross parking lot to get to his/her car. Students should enter and exit car on the passenger side in the drop off/pick up lane. **Please do not park in any parking spaces that are designated for staff.** Thank you for being polite to other drivers, our staff and volunteers, and the student Safety Patrol, as our children learn from the behaviors that we model.

IF YOU MOVE:

If you move at any time during the school year, you **must** complete the following steps within two weeks of the move:

- Verify residency with your new address.
- Update the Green emergency forms in the Health Office with your new address and any other information that has changed.
- If you have moved out of the Olympic View boundaries, it will be necessary to fill out a **Zone Transfer** so that your student(s) can finish the remainder of the school year at Olympic View.

VISITORS/VOLUNTEERS:

All visitors and volunteers must check in at the school office, show a picture ID to the secretary, and log in on the dedicated Sign-In computer. A visitor or volunteer badge will be printed and must be visibly always worn while you are on campus. All volunteers must attend the volunteer training conducted by the principal. During COVID, training is virtual, and all documents and requirements must be completed before volunteering. There are no volunteers on campus the first two weeks of school, and teachers have the discretion as to how many and how often they need volunteers.

CHILD CARE PROGRAMS:

YMCA: Before and after school childcare from 6:00 a.m. – 6:30 p.m. YMCA childcare is located on our campus in room 803. Their telephone number is 619-421-8805.

STUDENTS RIGHTS AND RESPONSIBILITIES

In order to maintain a disciplined and safe learning environment at school we have adopted a school wide discipline policy centered around five basic rules which parents and children need to discuss and obey:

OV WAY
Wise Choices
Always Safe
You Matter

Students will receive positive reinforcement for appropriate behavior in the classroom and on the campus. Good behavior will be celebrated and rewarded with 'All Star' tickets and Classroom Blue Cards.

Our discipline policy is defined as follows:

PLAYGROUND RESPONSIBILITIES

1. Follow directions.
2. Keep hands, feet, and any objects to yourself.
3. Stay in designated areas.
4. At the sound of the siren all students stop play, hold all playground equipment, dismount big toy and stationary bars, take a knee, freeze, and refrain from talking. Students are to wait for further instructions and are not to get drinks or use the restroom after the siren.
5. Return all playground equipment to equipment rack when told to do so.
6. The use of profane language and/or name calling is strictly prohibited.
7. Take turns on equipment and adhere to big toy and soccer field use schedule.
8. All games are open; invite others to join your game.
9. We do not throw objects other than balls.

BATHROOM RESPONSIBILITIES

1. Only 4 students may use the bathroom at a time.
2. Come in, use the bathroom, and leave promptly.
3. Keep the bathroom clean and free of debris on the floors and/or in stalls.
4. Soft voices are to be used at all times.

HALLWAY RESPONSIBILITIES

1. Follow directions.
2. Keep hands, feet, and objects to yourself.
3. Walk at all times with "Bumpers Up".
4. No Talking.
5. Hallway passes are required during class time.

BEFORE SCHOOL RESPONSIBILITIES

1. Line up on the blacktop behind your classroom number.
2. Remain on blacktop until your teacher arrives to escort you to class.
3. Use soft voices.
4. Follow directions.

It is our desire that students start the day in a disciplined and orderly atmosphere which creates and sustains the tone for the entire school day. Student safety is one of our priorities, therefore, we monitor our campus security and safety procedures on a continuous basis. Kindergarten students will follow the procedures discussed by the teachers at Kindergarten orientation. The following procedure is to be followed by **all** students in grades K-6:

- Students who eat breakfast at school will report to the auditorium no earlier than 7:45 a.m. and no later than 8:05 a.m. When they are finished with breakfast, they are to either participate in Mileage Club or report directly to their classroom number on the blacktop.
- Students may participate in the morning mileage club, or they may wait near their line on the blacktop.
- Students who do not eat breakfast are required to report to their classroom number on the blacktop immediately upon arrival at school no earlier than 7:30 a.m.
- Students are to remain on the blacktop, lined up in an orderly manner by their classroom numbers until their teacher arrives to escort them to class. Please do not run-on blacktop.
- On rainy days, students in portable classrooms will report to the auditorium. All other students will line up outside their classroom door under the overhang.

Special Note for Parents: We are kindly asking you to keep school entry pathways clear so that foot traffic may travel free of obstructions. This is especially important between the 700 portables and the 400 building, and between the 400 building and the 200 building. Thank you for your cooperation with this safety issue.

AFTER SCHOOL RESPONSIBILITIES

1. Walk with a buddy.
2. Students who must wait for an older sibling or to be picked up will sit and wait quietly in one of the following area: The grass area in front of the student bathrooms near auditorium.
3. Students will stay clear of all unsupervised areas including, but not limited to: classrooms, portable classrooms, kindergarten playground, blacktop, and the regular playground areas.
4. Remember to maintain a disciplined atmosphere, quiet and orderly at all times.
5. **Students who are still waiting for pick up 15 minutes after dismissal will sign into office. Those students will need to be signed out by parent or guardian.**

To help us support a respectful atmosphere the following is required of all students:

Procedures for Addressing Conflicts/Bullying Behavior

All students will follow these four anti-bullying rules at Olympic View:

1. We will not bully others.
2. We will try to help students who are bullied.
3. We will try to include students who are left out.
4. If we know that somebody is being bullied, we will tell an adult at school and an adult at home.

When a staff member witnesses an incident or a student reports incident to a staff member, the following steps will occur:

Step 1:

Staff member will immediately stop the bullying behavior.

Step 2:

Staff member will refer to the bullying behavior and to the relevant rule against bullying.

Step 3:

Staff member will support the bullied child by assuring their safety and that bullying is not tolerated at Olympic View.

Step 4:

Staff member will empower the bystanders with appreciation if they were supportive to the student who was bullied or with information as to how to act in the future.

Step 5:

Staff member counsels the student who bullied and if appropriate, imposes consequences for bullying behavior.

Step 6:

Report incident to Principal or Associate Principal for investigation, to assign consequences if needed, and to take step to insure the bullying does not continue.

Step 7:

After investigation if bullying behavior is confirmed, Administration will contact parent of both the student who bullied and the student who was bullied and assign appropriate consequences.

If after investigation Administration determines the behavior is not bullying behavior but deemed a conflict, staff member/teacher will contact parents of both students to inform them of the conflict.

Parents are invited to participate in classroom activities, field trips, programs, and assemblies. Volunteers, including parents, grandparents, and community members can help in our Volunteer Center 400 Pod, the library, and the classroom.

Olympic View Will Encourage Parents to Stay Informed.

We encourage communication in many ways:

- Teachers maintain ongoing communication with parents through notes in student planners, weekly letters, emails, progress reports, phone calls, websites, and conferences.
- School events are published on the school blog, Peachjar, the school marquee, and School Messenger.
- School Site Council meetings are open to the public. Meeting dates, times, and agendas are published 72 hours in advance. Public communication at meetings is always on the SSC agenda.
- ELAC/MFA meetings serve as the educational venue for all parents and interested parties to discuss issues pertaining to the importance of daily attendance and English Language Development (ELD) program quality review. It also provides opportunities for parents to serve as an advisory forum to the principal and the SSC. Meetings are open to the public. Meetings agendas and minutes are held in a notebook in the office.
- Our school's OPTC issues a quarterly newsletter, holds quarterly General Membership meetings, and sponsors many fun student and community events throughout the school year.

We welcome volunteers and are continually seeking Educational Partnerships with businesses and organizations in our community. Please call 656-2030 if you wish to become involved in school activities. Spanish and Japanese translation is available.
